

# INDEX - 1989 - INDEKS

Compiled by Liesel de Villiers

## INTRODUCTION - INLEIDING

The index to *The Cape Librarian* is compiled only in English as a bilingual index would double the work and size.

Die indeks tot *Die Kaapse Bibliotekaris* word slegs in Engels saamgestel aangesien 'n tweetalige indeks die werk verbonde aan die opstel van die indeks en die grootte sal verdubbel.

## ARTICLES - ARTIKELS

Articles are indexed under author and subject. The entries are interfiled alphabetically. Subject entries are given in English only.
